WORK EXPERIENCE

LEAN ICON TECHNOLOGY AND TRAINING – 2022

Kotobabi – Accra

FRONT-END DEVELOPER

As a front-end developer at Lean Icon Technology, I focused on creating user-friendly and visually appealing websites to enhance the user experience and drive sales. I used Vue.js as one of the key front-end technologies in my work and incorporated SEO best practices to improve website visibility and search engine rankings.

Works:

- [PGI Website](#)
- [MAM Website](#)
- [Litt Digital Academy](#)
- Nnuro [Website](#) and [Webapp](#)

DATRIX TECH SOLUTIONS – 2023

ARS, Obgojo – Accra

FRONT-END DEVELOPER

As a front-end developer at Datrix Tech Solutions, I built customized client solutions using React.js and Vue.js. I collaborated with designers and back-end developers to create responsive, interactive interfaces, optimize performance, and ensure cross-browser compatibility. My focus is on delivering intuitive designs and efficient functionality.

Works:
